## Education

### Faculty of Engineering

Alexandria University

Bachelor of Engineering

JUNE 2024

- **Grades:** GPA: 4, Penultimate semester GPA: 3.78, Last Two Years Avg GPA: 3.55, CGPA: 3.1
- **Major:** Communications and Electronics
- **Minor and Sub-Minor:** Computer Software Engineering
- **Courses:** Network, Digital and wireless communications, Embedded systems using C programming, SW python development, Data structure and Algorithms, Database, Operating systems, AI search algorithms and Machine Learning
- **Graduation Project:** Smart Safety Helmet Mobile App as a user interface associated with IOT modules, Microcontroller(ESP32 with built-in WiFi/Bluetooth), with real-time notifications and sensors to monitor, detect, and help workers in emergency scenarios. I was the leader of the SW sub-team. We used: Flutter cross-platform, dart language, Firebase real-time database, Firestore collections, several tools/packages e.g.:(sqlite, shared preferences, launcher icons, sliders/animations, Flutter phone direct caller, Google Maps APIs and sign-in,..., etc).

## Skills

<b>Fundamentals</b>	OOP, Data Structures and Algorithms, Design patterns, SOLID principles, OS, Database, Web Security Basics.
<b>Languages</b>	Dart, C/C++, SQL, Python, Java, HTML/CSS, UML, DML, ERD, MATLAB.
<b>Platforms</b>	Flutter cross-platform, MySQL DBMS, Firebase/Firestore Platform.
